0 0.325 0.65 1.3

Miles

Each Section is Approximately One Square Mile

NORTH

Rights-of-way, road classifications and municipal boundaries are derived from Weld County GIS data. The aerial photograph shown on one of the series of base maps is from the US Department of Agriculture, dated 1999. This base map was prepared from the best data available and the Town of Hudson makes no claim as to the completeness or accuracy of the data.
