Mailing Address: _____

email: _____

Permit Address: _____

Summary of Backyard Chicken Regulations (Hudson Municipal Code Section 7-84):

- Maximum number of chickens on permitted property: six.
- Hens only. No roosters.
- Coops, runs and feed containers must be predator proof.
- Coops and runs must be maintained and regularly cleaned. Odor, dust, and waste must be managed and must not present a nuisance to surrounding properties.
- Feed containers and chicken waste containers must be re-sealable and airtight.
- Coops must not be more than 120 square feet in size and 7 feet in height.
- Coops are only allowed in rear yard, and must be at least 5 feet from rear and side lot lines.
- Water must be available to chickens at all times.
- Chickens must have access to a run and a coop during the day, and be kept in a coop at night.

Coop Size (in feet): Width _____ Depth _____ Height _____

Construction Materials: Siding _____ Roof _____

Coop Location on Property: Distance from rear property line: _____

Distance from side property line: _____

(Complete sketch on back of this application.)

I understand and agree that I am responsible for keeping chickens and maintaining the property subject to this permit in accordance with the provisions of the Hudson Municipal Code Section 7-84 as it may be revised from time to time, and that any violation of said code provisions will nullify this permit. I further understand that installation of electrical service will require application for and issuance of a building permit.
