Town of Hudson, Right-of-Way Use/Access Permit Conditions:

1. All work shall be in conformance to the Town of Hudson’s Standards and Specifications, approved construction, and traffic control plans.
2. All paving shall conform to the Standards and Specifications for Road and Bridge Construction, Colorado Department of Transportation, 1999 Edition or as amended.
3. Prior to digging, please call Utility Notification Center of Colorado (811)
4. The contractor is required to schedule a proof rolling of sub-grade prior to installation of sub-base, asphalt or concrete pavement material.
5. The applicant will be required to schedule a final inspection as outlined on this permit. Failure to complete the final inspection and correct any discrepancies within 30 days of the completion date as shown above will result in forfeiture of the applicant’s deposit and a revocation of the permit.
6. The applicant shall carry and maintain in full effect at all times commercial general liability insurance, including broad form property damage, completed operations contractual liability, explosion hazard, collapse hazard, underground property damage hazard, commonly known as XCU, for limits not less than one million dollars (\$1,000,000) each occurrence for damages of bodily injury or death to one or more persons; and five hundred thousand dollars (\$500,000) each occurrence for damage to or destruction of property.
7. Each applicant, for itself and its related entities, agents, employees, subcontractors, and the agents and employees of said subcontractors, shall hold the Town harmless and defend and indemnify the Town, its successors, assigns, officers, employees, agents, and appointed and elected official from and against all liability or damage and all claims or demands whatsoever in nature, and reimburse the Town for all its reasonable expenses, as incurred, arising out of any work or activity in the access way, including but not limited to, the actions or omissions of the applicant, its employees, representatives, agents, contractors, related entities, successors and assigns, or the securing of and the exercise by the applicant of any rights granted in the permit, including any third party claims, administrative hearings, and litigation; whether or not any act or omission complained of is authorized, allowed, or prohibited by this Chapter or other applicable law. Applicant shall not be obligated to hold harmless or indemnify the Town for claims or demands to the extent that they are due to the negligence or will full and wanton acts of the Town or any of its officers, employees, or agents.
8. Before a public right-of-way permit is issued, the applicant shall file with the Town a bond or letter of credit, at the applicant’s choice, in favor of the town in an amount equal to the total cost of construction, including labor and materials but excluding the cost of any facilities being installed, or five thousand dollars (\$5,000), whichever is greater. The bond or letter of credit shall be executed by the applicant as principal and by at least on surety upon whom service of process may be had in the state. The bond or letter of credit shall be conditioned upon the applicant fully complying with all provisions of Town ordinances, resolutions and regulations, and upon payment of all judgments and costs rendered against the applicant for any violation of any Town resolution, regulation or ordinance or state law arising out of any negligent or wrongful acts of the applicant in the performance of work pursuant to the permit.
9. Applicant, by acceptance of the permit, expressly warrants and guarantees complete performance of the work in a manner acceptable to the Town and warrants and guarantees all work done for a period of one (1) year after the date of acceptance.
10. Work to be in conformance with **attached drawings and specifications**, as approved by the Town.
11. Other: _____
